INSTRUCTIONS

ABOUT THIS BOOK

Free Things for Kids lists hundreds and hundreds of items that you can send away for starting today! The Editors have tried to examine and verify every item included in this book and are pleased to report that each item is among the best offers available. Parents and kids should have a “blast”!

These directions explain exactly how to request an item. Please read the instructions carefully so you know exactly how to submit your request. We have included a checklist on Page 7 to make this project fun and easy.

Additional “Internet and World Wide Web” sites have been included for your enjoyment. These sites offer an “address” that may look like “www.myfree.com”. This company has agreed to update offers for our readers on a continuous basis.

With most households having a computer and Internet access, we feel it is important to publish Internet sites that offer “Free Things For Kids”. If you do not personally have access to the Internet, please check with your local library as most now offer this access at no charge.

ABOUT OUR COMPANY

Prime Publishing LLC is a leader in the field of collecting consumer information. We use a sophisticated state-of-the-art computer system to track each and every sponsor and offer. Our database is updated daily - assuring each of our readers that they are using the most up-to-date information we have available.

Our company maintains a database of many thousands of free and low cost offers.

SUBMITTING NEW OFFERS OR CORRECTIONS

Companies, government agencies, trade associations, groups, etc. are invited to submit items for consideration on our database. A description and actual sample is best for our editors to carefully review the offer and write up an appropriate description. Items can be for this “FREE STUFF” directory or others. Other “FREE STUFF” directories published or planned includes directories for Kids, Parents, Crafts, College Students, Pets, Sports, Health and Fitness, Cooking and Babies.

The company also provides offers and works with MyFree.com, which maintains a very popular “Free Stuff”

World Wide Web Internet site at:
<http://www.MyFree.com>

TERMS AND ABBREVIATIONS

LSASE: This stands for “Large Self-Addressed Stamped Envelope”. This is a standard #10 or larger business size envelope, which measures approximately 4 1/8” high by 9 1/2” long.

Your item will be returned to you in this envelope. You must put your name and complete mailing address on this envelope with the postage requested. Put your name and address in the center of the envelope - as if you were mailing this letter to yourself. Also, put your return address in the upper left hand corner of the envelope.

Fold up your LSASE so that it fits into another personal or #10 business envelope. Do NOT seal your LSASE - because the sponsor will use this to put your offer in and mail it back to you to your name and address.

If we do not specify otherwise, you should put one stamp on the LSASE envelope. Very important - do not forget the stamp(s).

OFFER: The product(s) or service(s) that you will actually receive.

POSTAGE AND HANDLING: The fee charged by the sponsor to cover the costs of processing your request. These costs include opening your envelope (unless you use a postcard), addressing your item to you, selecting the right item to send, postage charges, office personnel, etc.

POSTCARD: A postcard is a small card that you can write on and mail without an envelope. Many sponsors request a postcard instead of an envelope. This saves the sponsor the time it takes to open envelopes and helps speed your item back to you even faster.

The post office sells postcards with pre-printed postage. This represents your best value. Postcards must be at least 3 1/2” high by 5” wide to meet postal regulations. As such, do not use a 3” x 5” index card.

SASE: This stands for “Self-Addressed Stamped Envelope. This can be either a standard #10 business size envelope or your typical personal use envelope, which is called a 6 3/4 and measures approximately 3 5/8” high by 6 1/2” long.

Unless otherwise indicated, we recommend that you always use a #10 business envelope. Your item will be returned to you in this envelope and most items in this

directory will require a #10 envelope due to their size and weight. You must put your name and complete mailing address on this envelope with the postage requested.

SPONSOR: The companies, government agencies, trade associations, groups, etc. that make available free offers for consumers.

THE OFFERS

All of the offers we list in our database were submitted or researched as free offers, special low cost offers or other items of consumer interest for kids and families. In addition, we will, in accordance with industry standards and guidelines, list offers that require a Self-Addressed Stamped Envelope and/or require a postage and handling fee. Our company policy is not to list any offer with a postage and handling fee in excess of \$3.00.

Our editors have tried to verify each and every offer listed within this directory. Unfortunately, offers may change or be discontinued by the sponsor at any time and without notice. As well, sponsors have the right to substitute items should the original item or offer run out. Whenever possible, we have tried to not publish offers from sponsors who may not be able to make their free offers available for at least one year.

We are acting as “newspaper or magazine investigative reporters”. We try to present our research as accurately as possible. Prime Publishing LLC is not responsible for any errors or omission within this book. If you find any errors in this book, please notify us immediately so that we may contact the sponsor and update our database.

Consumers who send us back correspondence from a sponsor about an offer no longer offered or a returned offer can receive a FREE “thank you” copy of the current issue of our *Free Stuff Newsletter* or similar item listing new and special free offers. Please be sure to include original documentation only along with a LSASE for your “thank you”.

TIPS

1. Please only ask for the items that you really want and/or need. Our sponsors spend millions of dollars each year providing these offers to consumers.

2. Occasionally, items may be changed, modified or discontinued by the sponsors without notice. We try to be aware of these changes and advise you if possible.

You may also try the World Wide Web Internet site for www.MyFree.com. They have agreed to provide our customers with the latest in changes, deletions and additions from this book. This may be accessed at the following URL. It is: <http://www.myfree.com>

3. They say, “Patience is a virtue”. Our sponsors receive many request for their offers every day. We recommend

that you allow 1 - 3 weeks for processing of your requests and an additional 2 - 5 weeks for delivery, which is often by US Postal Service, Bulk Rate/Standard Rate service. As such, your items could reach you in just a few days or could take as long as 8 or more weeks. So, *Be Patient!*

4. Each offer details the sponsor’s name and address or phone number to call to request the offer. Please write or call each sponsor directly. We regret that Prime Publishing LLC is not able to fulfill any request directly.
